## ***IS THIS CLEAR ENOUGH?***

In a Constitutional Monarchy, it is Members of Parliament who Rule by Law (legislation of Law and Statute Codes) while the Sovereign reigns. The Monarch serves a function similar to checks-and-balances in the United States Constitution. So Parliament is charged with crafting statutes, once the foundational Laws for the country are in place. It is fitting under such a Constitutional Monarchy for the King or Queen to operate by powers listed below.

### ***Executive Power of the Queen or King of Britain:***

- The power to choose and dismiss a prime minister.
- The power to dismiss ministers and the government, dissolve parliament and call for new elections.
- The power to enact laws and/or veto legislation passed by Parliament.
- The power to issue proclamations with Parliament's consent.
- The power to "exercise Crown prerogatives," including declaration of war and emergency.
- The right to read confidential government documents and intell reports, to advise and to warn.
- The power to elevate or exile individuals; pardon convicted felons, grant and bestow titles and honors, where she herself is immune from accusations of conflict of interest. This is a debatable issue due to the fact the Royal Family retinue reflect back on the Monarch's character; and there have been many unscrupulous, perfidious, deceitful Monarchs in our history to date.

### ***AU CONTRAIRE, ROYAL DUTIES AS A HOSPITALITY-P.R. EXECUTIVE:***

As articulated in *Annual Financial Reports* of Buckingham Palace, there is no correspondence or similarity between "Her Majesty's Powers" and the actual carrying out

of functions she routinely performs. The Queen serves as corporatist *mascot* of State and only includes *ceremonial* aspects of leadership--no judgments or problem-solving or decision-making is included, as recorded in the following activities in the 2011 Annual Report: CITATION: *2011 Annual Financial Report of Buckingham Palace*, page 5

- Undertaking constitutional duties, for example the State Opening of Parliament, regular audiences with the Prime Minister, meetings of the Privy Council, giving Royal Assent to legislation and approving many appointments;
- Fulfilling constitutional responsibilities in relation to the Scottish Parliament and, where appropriate, the Welsh and Northern Ireland Assemblies;
- Carrying out State and Royal Visits overseas and receiving State and Official visitors to the United Kingdom;
- Receiving credentials from foreign Heads of Mission; and presenting honours at Investitures. In addition, the role of The Queen, supported by members of the Royal Family, extends more widely than these formal duties and includes:
  - Providing a focus for national identity, unity and pride (for example on Remembrance Sunday and at times of national celebration or tragedy);
  - Providing a sense of stability and continuity (for example by participating in traditional ceremonies such as Trooping the Colour);
  - Recognising success, achievement and excellence (for example through visits, receptions and awards); and
  - Contributing through public service and the voluntary sector to the life of the nation;
  - In this area The Queen is particularly supported by the work of other

members of the Royal Family (e.g. The Prince's Trust and The Duke of Edinburgh's Award Scheme).

### **Conflicting Obligations Renders the Monarch a puppet by choice**

#### **DEFAULT IN ROYAL "COVENANT" OBLIGATIONS as if nonexistent.**

Today the Monarch serves as a consumer and not as "Mediator" in conflicts of interest and disputes between Common and Statute Laws. She presides in name only, distancing herself from making checks-and-balances that moral leadership demands, that the word "REIGN" implies. She doesn't even speak up about or speak TO conditions of slavery, war and want. But she's the head of the Church, so that its Bishops don't speak up either; Bishops of the Church of England are also silenced, especially with Tavistock across the street from the Archbishop of Canterbury's office.

Whereas she vowed to protect and support the Church of England, She sits quietly and allows Tavistock, which her Grandfather King George V (along with Kaiser Wilhelm) helped establish, to degrade, discount, demean and dishonor Britain's COVENANT epitomized by the Stone of Scone under St. Edward the Confessor's Chair; but also British culture and Law, in direct violation of her Coronation Vows.

Queen Elizabeth signed SIX Lisbon Treaties that gave away her sovereign prerogatives--practically behind closed doors and without the consent of the British peoples--to EU management by distant, impersonal entities, unelected and unrepresentative of Britain. She has reduced herself to the status of CEO of the United Kingdom Corporation.

Technically, there is nothing “Royal” about Royals who join the EU, because the EU rules, but no Monarch has the authority to combat conflicts of interest caused by EU legislation. And so, the Royal Monarchs all sit together as peers who all still pretend to be sovereigns having dominion even over themselves, while they are all yet subject to EU top-down legislation.

Britain's Queen serves as hostess and greeter, or she may send in a look-alike [doppelganger] lady-in-waiting. Effectively, she is in the Hospitality Business, she entertains for the State and she reads “My Government's Goals” without challenge or question.

CITY OF LONDON; INNS OF COURT; THE BAR.--She stands silent and servile before the Inns of Court that run dual and twisted legalist systems combining common law and Maritime statutes without regard to effects on working classes.

The Queen meets well-wishers on a walkabout in Brighton and Hove centre, 8 March 2007.

When The Queen is unable to attend, say, a funeral, Her Majesty sends a representative. How is this individual treated? Do they sit in what would have been The Queen's seat, for example? The Queen sends a representative to funerals and memorial services when she is unable to attend. The representative, who is often a Lady-in-Waiting or Lord-Lieutenant, sits in the seat which would have been taken by Her Majesty and enters and leaves the church in the same manner.

Her Majesty's relationship to the Vatican, despite cautions embedded in the 1689 Bill of Rights that imbue a “separate but equal” status upon Her Majesty and the Pope, ignores the reality of infiltrating practices of Jesuit and Occult chivalric Orders into UK society; namely, Order of the Garter, of the Thistle, of the Bath and of St. John the Divine; Knights of Malta, and the Committee of 300, among others. Even if the present Pope is an honorable man, the next one could be another problem-identity because Papism falls into factions—Christian, Satanic and Luciferian. And everybody knows : Religion is a problem requiring clarity, facilitation skills and wisdom coming from Leadership for Peace to obtain.

**Immigration.** – Her Majesty and the entire Royal family distances themselves from effects of Treaties she has signed that abrogate and annul sovereign human rights and economic parity of British citizenry in favor of an EU invasion of foreign minorities that literally threaten to take over the UK, namely, the same Quranic imams and scholars that historically by dogma and doctrine have always sought to conquer Western society.

And again, due to confusion over the trafficking of “persons” between UN, EU, Quranic,

Talmudic limits [against women, children and dissidents] and [faith and thinking] boundaries--which Her Majesty left in place and never speaks to--her children are found to be in just one scandal after another for vicarious profits. Mainstream media endlessly discuss and gossip about prurient escapades. The fact is, Prince Andrew is single, he can "date" whoever he wants post-puberty, and "hell hath no fury like a woman scorned;" so even when no crime has technically been committed, there is staged uproar in the media.

## **Added Effort to Confuse: the Political Strategy of Dominance**

### **INTRODUCING DYSINFO AND MISINFO IN THE KINGDOM OF DAVID-ISRAEL-BRITAIN**

**Lie Number One** is that the United Kingdom has only been in existence since 1603, that it has no basis in religion at all, nor does the Anglican Communion have coherent history, back to Scotland, back to Irish Kings before the Roman invasion. This is not true, but the history is hidden.

**Lie Number Two** is that Roman-Maritime-Laws of the Sea and Laws of the Admiralty including the UCCode are just as legal and reasonable in utility for humane relations In Trust situations as they are for people in relations where there is no Trust at work in relationship. This is false. Common Laws are for people who know each other.

**Lie Number Three** is that it's reasonable to set the two sets of Law against each other in the Bar Associations, without every having articulated them as discrete sets or pay any attention to the Chaos that is created in relationships by Maritime Law.

**Lie Number Four** is that citizens of a nation can be treated as cattle who are not privvy

to two distinct sets of Law and their contents as to who has dominion or sovereign status.

**Lie Number Five** is that Law ought to be so voluminous and complicated a nation best not try to teach its stipulations to citizens directly; but rather require a profession of legal experts who profiteer on legal predicaments they can create by virtue of their special knowledge. This is outrageous upon the working people.

**Lie Number Six** is the "Bar Association" [Inns of Court] definition of a "person" engaging one of the "experts" is "imbecile," even though barristers and lawyers themselves cannot command all sets of legalisms. The costs of Maritime Courts are too burdensome to bear.

**Lie Number Seven** is that a nation can live by Liberty and Dominion, that sets a profession of Barristers, Lawyers and Legislators against its own peoples.

**Lie Number Eight** is that a "reigning" Monarch has no responsibility to notice any of this treachery, who presumes no responsibility for serving as check-and-balance to restore the boundaries between *Law of the Land* [Trust and in occupancy] versus *Law of the Sea*.

#### IN FACTS--

Common Law Justice was established among the bloodlines of Israel Kings by Moses over Mount Horeb after the Exodus from Egyptian slavery, and the Kingdom's operations guaranteed that the outcomes of Law would be win/win or pay/win in disputes and conflicts for and among the peoples themselves; Elitism was not permitted and the King had to abide by the same Laws as everyone else. Common Law, one version of *Laws of the Land*, have always had the purpose of protecting and restoring balance and justice of citizens and travelers who reside and live and work on the land in relationship in a nation and culture of people, in mutuality. (Eg, the Irish *Brehon* system is another legal system In Trust.) Common Law is based on truth telling among people who know each other.

But what about the Covenant for the Kingdom in Britain? How did this Royal Family come about it? Did they keep it, lose it, or throw it away? “Covenant” is not even mentioned in the entire Buckingham Palace web-site. What is the truth about the Lia Fail, the Stone of Destiny, the Coronation Stone?

It is here:

[ [https://www.youtube.com/watch?v=yLtqd\\_ERtCU](https://www.youtube.com/watch?v=yLtqd_ERtCU) ].

Written history going back 2600+ years has been with us all along. In the Jewish Diaspora, the tribal line of Judah set up residence in Ireland. Britain's Monarchy goes back to Tara Ireland beginning in 583BC, to settlements where Tribes of Dan and Judah saw the arrival of the Prophet Jeremiah after Jerusalem's sacking, with King Zephaniah's two daughters, Teah Tephi and Sophia, among Celts and Gaels. Holy-Law-abiding culture according to Holy Law and Brehon Law continued until St. Patrick converted Ireland to Christianity, and the Royal bloodline moved to Iona Scotland, where and when King Fergus moved the Monarchy and its Lia Fail, about 500AD. And then, when Edward I conquered Scotland he moved the Lia Fail from Scotland to London in 1296AD. I mean, if the Crown is Monarchy over the entire British Isles, then this is its true history--not the current version which places the beginning of the Monarchy in 1603AD.

[See Hardinge, Leslie, *The Celtic Church in Britain*, New York, Teach Services Inc., 2005; Davidy, Yair, *THE TRIBES, the Israelite Origins of Western Peoples*, 2009(?), Hebron, Israel: Russell-Davis Publishers; Hisslop, Bishop Alexander, *The Two Babylons, Proof that Roman Catholic Beliefs Came from Pagan Babylonian Religion*, Ontario, CA:

Six hundred years after the Kingdom of David came to Britain, *Jesus Christ* established the more Subtle Ethics of the Irish *Brehon* system of Law--in Judea--when he edited His Father's *Holy Mosaic Law* to include personal applications and intentions--much as the Irish *Brehon* System of Law was a personal legal 'relationships' system characterized by mutual trust and reliability. Moreover, with the Sacrifice of that innocent dissident *Yeshua ben Joseph* in 33CE, the point was made that executing the innocent has no reason and no purpose in creating Good and Just outcomes for people. So Jesus in His Teachings omitted capital punishment, just as in Irish *Brehon* Law there was no capital punishment provision where human relations are in civil conflict. See Appendix 2, *The Beatitudes and Teachings of Yeshua ben Joseph*, no cruelty at all.

Jesus had taught, "Give therefore what is Caesar's to Caesar; but what is God's to God," THE OPERATING PRINCIPLE of the Christ--NOT subjection as a vassal-chattel to a ROMAN-STYLED Corporate STATE by impersonal rules, policies, procedures and mechanistic practices as in Maritime Law, which is impersonal and in which there is no mutual expectation of trust.

***B-U-T-- How did impersonal Maritime Law (favoring Elites) overtake Common Laws OF THE LAND in the British Isles?***

**Here is a Legalist thumbnail history: HOW Maritime Law WON OVER Common Law in Britain**

In the 16th and 17th century a handful of simultaneous elements changed Law from

the customary application of Common Laws of the Land for the peoples of the Land, to Laws of the Sea, of Commerce, of corporate statutes. In the 16th century the Spanish Armada dominated the globe with conquest, and at the time, Spain was the protector of Rome and Vatican, Spain and Italy serving as single military-political unit.

One of the Popes in a Papal Bull (I believe it was "Innocent") declared the Vatican owned every soul on earth. Nobody countered that claim (by Annunaki Law). Henry VIII adopted the Protestant Faith to get free of that statement, and he formed the church of England to be able to say, "No, they don't own us."

Then with the founding of MI5-intell by John Dee with collaboration of the Jesus Society of Jesuits, King James II-VI ordered the British Navy to conquer Spain at sea in battle with the Spanish Armada and destroy Spain's dominance, which he accomplished. Since that occurred at sea under Laws of the Sea, High Maritime Laws obtained, and thereafter, Maritime Laws become dominant over England as well, but Spain lost all claims and rights that they had won, under Laws of the Sea.

England could now say, "We've now taken away the ownership of humanity from the Vatican, and we are now ruling the world because we are in command of the Vatican by monetary dictates and commerce Law." Queen Victoria continued in the tradition of exercising sovereign rights of her nation, but forever-after, under a pretext that Common Laws were still sovereign over the Land, which was no longer the case.

Today like the US, the United Kingdom is not a common-laws-of-the-land Covenant Nation; it's a "Disneyworld" of British Commerce and Statute Codes, and Her Majesty is merely its CEO. She threw out her Crown when she signed SIX Lisbon Treaties. These facts need to be known. Queen Elizabeth II is not a reigning Monarch. She is a corporate mascot of the United Kingdom Corporation. ### **MONARCHY vs. *EUROPEAN UNION HEGEMONY***

#### **Tyranny of Predatory Leadership arising out of Confusion between Maritime Statutes and Common Laws**

British Monarchs have been silently presiding with assent to the presence of FOUR stupendous black-hole quagmires, never speaking to their causes, effects, outcomes or reasons.

**FOUR CASES OF MALFEASANCE & OBFUSCATION OF THE MONARCH  
PEDOPHILIA AND "PERSON"-TRAFFICKING--**"Just business" in Maritime Law, Quranic & Talmudic Dogma, Doctrine and Rules--especially in UN-UNESCO Education Policy. See Appendix 3.

Elite control over politics and legislation is guaranteed by the blackmail of MPs for “*procuring*” porn and witnessing or participating in child-abuse and slavery; but in Maritime Law there are no penalties for subjective harm arising from “procuring a person as a service,” except cash money, because Maritime Law is based on indifferent and impersonal social norms, i.e, UN guidelines. And so, scandals arise and fall, but prosecutions for child-trafficking, snuff porn, slavery and murder for body parts are few and far between. At the same time, prosecutions for truly victim-free crimes (like "smoking weed," selling raw milk, growing a garden in a "wrong" place or installing rain-catch barrels) create harmless felons for prison-industries that profit judges and stockholders of prisons and social services. "Revenue-enhancement" is now the primary goal of agencies charged with peace and public safety right under the nose of the Queen, who maintains her

schedule of visits to the poor but never addresses their problems or terrors. Royal Visits always comprise shallow chit-chat, as a matter of policy.

**DEBT AND CLASS BANKRUPTCIES** arise out of Bank Usury, fiat-debt financing and bank fraud, ponzi schemes and collections scams characteristic of the fiat-debt banking combine whose runaway inflation has impoverished every worker in the world.

**SERIAL WARS FOR PROFITS & PROPHETS** occur because defense contractors and paid mercenary terrorists are free from Legal Accountability under Maritime Law and covert paramilitary operations.

**RADIOLOGICAL CONTAMINATION BY DEPLETED URANIUM.** -- Depleted uranium trade--THERE IS NO EXCUSE FOR THIS by a Royal Monarch who Boo-hoos about ecological balance. Such a level of hypocrisy overlooking four elephants in the room, belies any claim of leadership skill.

### CONCLUSIONS

Britain (and every English-speaking nation derived therefrom) is/are now vassal regions of a top-down dictatorial hegemony that operates from Laws of the Sea in Belgium. It's primarily a banker-dominated cabal in control by covert intel (Mossad-led) and Masonic blackmail, assassination and psych-ops worldwide. This means, Common Laws against Harm, Deceit, Fraud, Waste and Abuse are inoperative because "Business As Usual" takes precedent over Justice, and violence is profitable.

Therefore, the teachings of Quran and Talmud with respect to abuse of women and

children, sexual slavery, sex and snuff porn, female genital mutilation and all the terrors of Islam; plus a caste system of "Insiders" versus "Outsiders" as promulgated in the Talmud; plus wholesale slaughter of innocents staged by "terrorist mercenaries" is permitted by Radicals under the "Equality of Religion" statute of the UN and EU Charters, all of which ARE "LEGAL" TO THE EXTENT THESE PRACTICES are not and will not be prosecuted by most Common Law Courts of the Land due to lack of funding for conspiracies. Indeed, terrorism is staged to keep all people intimidated and in subjection.

Never mind, corporate hegemony is killing the planet with chemicals, contracted diseases and contaminated vaccines, and blaming the working people all the while.

Totalitarianism and terrorism have come to Britain, and there is no reason for these to ever cease, because blackmail, assassinations and trafficking against dissenters can keep a Legalized Crime Syndicate in place for generations until and unless populations are energized or Elites get lazy and let go of their power by leaving the world stage.

Queen Elizabeth II and her branch of the Line of David let it happen, and they have been in silent collusion the whole time, whereas my father said no, not this. Not more war, because he had spent four years on the ground in World War I. No, not more financial manipulations; he was pro-labor. And I'm here to say to you, Elites are just letting it happen unless this Throne is turned over to a bloodline legal heir who serves the people, to correct these matters, with an education, training, God's Grace and Strong Arm [whatever that means] of Almighty Sovereign YHVH, who with the Patriarch Jacob, forged this Covenant so long ago.

Vastly rich people didn't just let this happen; they also preside over gagging of the media; concealment of damage their own corporations cause by marketing and

distributing contaminated medical pharmaceuticals, depleted uranium products, insecticides and genetically modified sterile seeds; and oil rig accidents uncorrected that BP Oil Co weaseled out of repairing). Today Elites are planet-killers, loose cannons ecologically, who call on the rest of us in this world to tighten our belts and take the blame. But what's happening to us, the English-speaking peoples of the world, hides behind a curtain of secrecy, here: [ <http://www.holyconservancy.org/protocol.pdf> ] get your complete "Protocols of the Elders of Zion," Illuminist Playbook for Globalist New World Order hegemony, 46 pages, two-up, print landscape orientation. And Her Majesty either doesn't know anything about it or she's in on it!

I figure, we only have weeks or months at best to stop the bankster-war parties and their psychopathic hierarchy from starting another world war to comply with Albert Pike's confabulated prophecies of THREE WORLD WARS. Leaders who consent to this degradation of civil society must be taken aside and given a broom and a hovel, in exchange for their heinous acts. [ World War 3: the Final Social Cataclysm that always follows collapse of the fiat-debt banking scheme so bankers can spare their equities from demands by working people, so they fund wars, time and again. But that's another story.]

[ See <https://www.youtube.com/watch?v=0IIpvPAYwY> and [http://en.wikipedia.org/wiki/Albert\\_Pike](http://en.wikipedia.org/wiki/Albert_Pike) ]

Non-linear warfare is waged against us all by confusing what we can know. This is a deplorable way to keep Peoples away from knowing anything true or not true.

[ <http://www.filmsforaction.org/watch/nonlinear-warfare-a-new-system-of-political-control-2014/> ]

Journalists in the West are forbidden to tell true outcomes versus staged (hoaxed) events. But Elites either don't care or they are sanctioning such perfidious behavior.

I believe Her Majesty ought to be explaining to us, >why< she has not called attention to the Illuminati plans to control, dominate and >clear< this planet of its peoples.

### TAVISTOCK INSTITUTE

**“The End justifies the Means.”**

QUOTE:

<http://www.theforbiddenknowledge.com/hardtruth/tavistochumanrelations.htm>

This group was formed at Oxford University, London, by the Royal Institute of Of International Affairs in 1922. . . . When it was decided that a super-body would control European affairs, the RIIA founded the Tavistock Institute, which in turn created NATO. For Five years NATO was financed by the German Marshall Fund. Dr. King was assigned by the Club of Rome to destroy America's education by taking control of the National Teachers Association and working in close conjunction with certain law makers and judges. Scientists engaged in the process of conditioning are called "social engineers" or "new-science social scientists" and they play an integral part in what we see, hear and read. The "old school" social engineers were Kurt K. Lewin, Professor Hadley Cantril, Margaret Meade, Professor Derwin Cartwright and Professor Lippsitt who, together with John Rawlings Reese, made up the backbone of new-science scientists at Tavistock Institute.

QUOTE: The ideology of American foundations was created by the Tavistock Institute of Human Relations in London. In 1921, the Duke of Bedford, Marquess of Tavistock, the 11th Duke, gave a building to the Institute to study the effect of shellshock on British soldiers who survived World War I. Its purpose was to establish the "breaking

point" of men under stress, under the direction of the British Army Bureau of Psychological Warfare, commanded by Sir John Rawlings-Reese.

Tavistock Institute is headquartered in London. Its prophet, Sigmund Freud, settled in Maresfield Gardens when he moved to England. He was given a mansion by Princess Bonaparte. Tavistock's pioneer work in behavioral science along Freudian lines of "controlling" humans established it as the world center of foundation ideology. Its network now extends from the University of Sussex to the U.S. through the Stanford Research Institute, Esalen, MIT, Hudson Institute, Heritage Foundation, Center of Strategic and International Studies at Georgetown, where State Dept. personnel are trained, US Air Force Intelligence, and the Rand and Mitre corporations. The personnel of the corporations are required to undergo indoctrination at one or more of these Tavistock controlled institutions. A network of secret groups, the Mont Pelerin Society, Trilateral Commission, Ditchley Foundation, and the Club of Rome is conduit for instructions to the Tavistock network.

Tavistock Institute developed the mass brain-washing techniques which were first used experimentally on American prisoners of war in Korea. Its experiments in crowd control methods have been widely used on the American public, a surreptitious but nevertheless outrageous assault on human freedom by modifying individual behavior through topical psychology. A German refugee, Kurt Lewin, became director of Tavistock in 1932. He came to the U.S. in 1933 as a "refugee", the first of many infiltrators, and set up the Harvard Psychology Clinic, which originated the propaganda campaign to turn the American public against Germany and involve us in World War II. In 1938, Roosevelt executed a secret agreement with Churchill which in effect ceded U.S. sovereignty to

England, because it agreed to let Special Operations Executive control U.S. policies. To implement this agreement, Roosevelt sent General Donovan to London for indoctrination before setting up OSS (now the CIA) under the aegis of SOE-SIS. The entire OSS program, as well as the CIA always worked on guidelines set up by the Tavistock Institute.

Tavistock Institute originated the mass civilian bombing raids carried out by Roosevelt and Churchill purely as a clinical experiment in mass terror, keeping records of the results as they watched the "guinea pigs" reacting under "controlled laboratory conditions". All Tavistock and American foundation techniques have a single goal---to break down the psychological strength of the individual and render him helpless to oppose the dictators of the World Order. Any technique which helps to break down the family unit, and family inculcated principles of religion, honor, patriotism and sexual behavior, is used by the Tavistock scientists as weapons of crowd control. The methods of Freudian psychotherapy induce permanent mental illness in those who undergo this treatment by destabilizing their character. The victim is then advised to "establish new rituals of personal interaction", that is, to indulge in brief sexual encounters which actually set the participants adrift with no stable personal relationships in their lives, destroying their ability to establish or maintain a family. UNQUOTE

The very idea that Her Majesty hasn't been aware of the deleterious effects of Tavistock propaganda upon the moral and ethical foundation of Britain is simply beyond cognition. She can't be that stupefied; neither can she be that blind to the reality that Tavistock's mandate is to undo "Christian" Ethics en toto; but here Elizabeth II is, Head of the Church of England!

### **COLLUSION: The Church of England and its Archbishop who--**

**characterises the welfare state as the embodiment of the Christian command to “love thy neighbour”** and warns that people should not rely on what the founding father of free-market capitalism Adam Smith called the “invisible hand” of the market to create a fair society. It advocates a new redistribution of wealth, quoting the slogan popularised by Karl Marx: “From each, according to his resources, to each, according to his need.” . . . an essay in the Anthology, “On Rock or Sand?”, which explicitly invites comparisons with Faith in the City, the Church of England report published 30 years ago . . . attacked by Conservatives as “pure Marxist theology” and in which the Archbishop is contributing author. Archbishop Welby serves as political interpreter of Christianity, not as the Leader of the Church which stays separate and over the head of politics.

Christianity, this is not. Securing the Kingdom of David Covenant in cooperation with the Queen's Coronation Vows, this is not. This is collectivist politics in collusion with Tavistock and Her Majesty's escape from Monarchy into pure top-down dictatorial Fascism, with human rights abuses and crimes included by Brown Shirt privatizes agencies.

### **GLOBALISTS' COMMON CORE SEX CURRICULA : Anathema to the Faithful.**

**“Never mind, morality nor effect of contagion on families.”**

**QUOTE TEACHINGS:** The Common Core curriculum encourages parents to be supportive and open-minded to gender identity and sexual orientation, and discourages

them from enforcing traditional gender identities: “Confusion about these issues and fear of homosexuality (homophobia) has caused many parents and other adults to limit how girls and boys express themselves.”

One curriculum asks parents to refrain from teaching children about morality, as there are no right and wrong values, while another model curriculum asks parents to address contradictions in “religious approaches and rights based approaches.”

Perhaps the most disturbing of the curricula asks parents to foster early sexual development by encouraging children to “experience genital pleasure” from birth until age 2 and by age 3, to encourage “sex play.” The report also heavily promotes the encouragement of abortion and lists the International Planned Parenthood Federation and other abortion advocacy organizations as references.

Her Majesty's VOW, remember ? *“Will you, to the utmost of your power, maintain the Laws of God and the true profession of the gospel?”* Or did we all forget that the limits and boundaries on sexual behavior have the outcome of protecting bloodline families, because Christianity is “about” maintaining bloodline families from generation-to-generation and from millennium-to-millennium . . . ? And so, in the effort to protect family vows and covenants, we do abridge and edit our sexual behavior voluntarily. But has Her Majesty demanded that Britain's Christians be allowed to opt out from the teachings of profligate sexual behavior in the face of Common Core Curricula contradictions? Not a word.

Moreover, Common Core teachings justify pedophilia (and resultant blackmail) coerce certain adults who buy in to fail and fall in their reputations. Indeed! It is very easy to blackmail an Elite who has opted in to profligate sexual practices. This is how totalitarianism gets its foothold, its control over individuals.

### PARTIES OF THE FIRST PART

*Picture is of Father and Grandson Edward at age 22*

The Complainant is daughter of King Edward VIII

who became the Duke of Windsor when he fled and then was exiled from his home country--who ruled for only ten months among his enemies. Her books at Amazon cover Earth's ET history, History of Hierarchy and Law <http://www.amazon.com/dp/1492359750>, *Restoring the Kingdom of God to Sovereignty*, <http://www.amazon.com/dp/1451529155/> , and other volumes of Community Development, Conspiracies and Crafts, 17 in all.

Emily Elizabeth Windsor-Cragg, born in 1944 in Edward's 50<sup>th</sup> year, is educated and trained in Group Problem Solving, Conflict and Dispute Analysis and IT. See her Profile at LinkedIn.com.

Five grown children, Heather Anne, Andrew, Dayna Jeanette, Edward Scott and Steven Walter (four with university degrees) command skills in IT, Hospitality, Permaculture, Military Security and Logistics. No one in our family has ever been charged with a crime. To date, only one was divorced and remarried. Nine grandchildren are all healthy and somewhat gifted.

What's going on with the Windsor family RE: SUCCESSION

King Edward VIII violated the 1772 Marriage Act by marrying a divorcee who was [secretly] a double MI-5 agent in the employ of King George V during WWI and who served as intermediary between the King and his German cousin Kaiser Wilhelm, as well as with the eldest son, Adolph, in Bavaria.

As a result Parliament [knowing the secret] passed an Act that removed Edward's Royal privileges and all/any issue/children he may have ever had. There's reason to believe from "a King's Story," that he never knew who and what Wallis was, but her working for MI-5 will show up in their records for WWI; and Edward's efforts to return to Britain, contribute his service and regain some post or role were pitiful and few, and consisted of some negotiations with Germans, who were in charge anyway.

Now. Charles has violated the exact same act, and his present wife has Catholic connections, also forbidden by Law. So, it appears to me that the Royals can do one of two things: by lawful precedent, cut Charles and his kids off (William, Harry and George) as happened before to Edward;

OR, by rescinding the special Act against Edward, place Charles back in the line of succession except for one matter: rescinding that Act would restore me and my bloodline as members (albeit illegitimate) of the family, the bloodline of which I live in God's sight by blood.

### **PROOF OF FAMILY LINE OF DESCENT.**

Not having access to samples of my parents' blood, I have not yet undergone the sort of DNA test that establish parenthood. But of course, I will do so when enabled to do so due to the fact Edward died in France in 1972, and Marie Lorraine Scott in California in 2000.

**PORPHYRIA**, disease of the Bloodline. People ask me how I know I'm Edward Duke of Windsor's daughter. I have the congenital blood condition called Porphyria, the

symptoms of which are noted in suffered by Elizabeth the First's reign; which sidelined King George the Third; also notable carriers both George V and his wife, May Teck, both of whom were direct descendants of Geo III, were my grandparents on my father's side. I have it, my son Andrew and his daughter Jessica have a variant of it. No way that disease arises out of the blue; it's by genetics alone. I'm in the bloodline, sidelined, scapegoated and disinherited through no fault of my own. And She, Her Majesty, has lost her moorings ... insofar as Justice with Mercy, to the Covenant with God. ... No I do not sacrifice babies ... to keep going. No need to harm anyone.

### LOOKING TO A FUTURE

When I found out Edward Duke of Windsor was my father and sire (I was in my fifties), I called out to God in prayer, "*Why on earth did you let this go until I'm an old woman?!*"

And He said to me, "*I waited until I could see that corruption was irreversible.*"

And so I asked, "*So what do you want me to do about it?!*"

And He said, "*You're going to have run with the ball, because your father and his relatives dropped the ball.*"

And I replied, "*What?! I'm not prepared to do anything like that.*"

And He said, "*You don't have to do anything but listen to My Words and take them down, daily.*"

And so I started writing down what I hear Him "think" to me. I never heard audible words, just meanings in silence. I have written TWELVE books of dictation since I "retired" in 2001: *Lia Fail Covenant, Orientation to Hierarchy, Use of Space, Nutrition,*

*Royal Style, Speeches & Topics*, plus the six books I published: *Let your No Mean No*, *Come Take Life's Water Free*, *Civil Life in Galactic History*, *Come Let Us Make Man in our Image*, *Restoration of the Kingdom of God*, and *Path to Orion yes we Can*.

Before that, my Masters thesis consisted of, "Effect of television on children," "Conflict Analysis and Resolution," and "Large Group Problem Facilitation & Resolution," the Interactive Management system of debriefing a large crowd of their true experiences in a hierarchy. I have written seventeen books, for sale at Amazon.com, on topics related to community development and consensus-building.

God has kept me busy. And of course, people back away from me who hear my story.

I discovered My father Edward's problem was that he was never educated, mentored, apprenticed or guided into the role of King. He was left to founder because his father King George V sensed the young Prince wasn't going to go along with the Round Table Agenda, the Order of the Garter, Tavistock and Rothschild version of a worldwide political-economic order controlled top-down by rich men.

Jesus didn't hang out with rich men, He was level-ler. Edward was pro-Labor, a level-ler of the playing field. He father was not in any case going to allow Edward to reach the Throne intact, so he waited until Edward stumbled, and the King caught him in the marriage net which the King had forbidden for twenty-odd years.

And so we have the Official Version of Wallis Simpson case which, like the JFK story, the OKC95 story, the Ruby Ridge story, the Titanic story, and the WTC 9/11 story, read like a fairy tale of helplessness, powerlessness and ignorance ... because that's what those stories have been . . . hoaxed . . . but in the atomic age.

What humans are faced with today is nothing less than annihilation of mankind for the benefit of Luciferian-ETs [Masonic Orders] who want to clear the planet for galactic

commerce; bankers, defense contractors, airlines, logistics companies, social services, courts and other impersonal hierarchies that have taken human relationships down into the gutter, into filth, into Oblivion of asymmetrical war against people who never did any harm to anybody.

So, it doesn't matter what I might want to do, unless it matters to the rest of toxic, psychopathic leadership that this world and our people should not be annihilated into extinction, enslaved into galactic tyranny, starved into submission, destroyed by contrived diseases and chemical pollutants--not to mention, bloodlines and oceans depopulated by depleted uranium toxicity which is permanent, from buried weapons of war, from aging atomic reactors, with sterile seeds and RoundUP by Monsanto killing beneficial insects and small birds and poisoning the entire living food chain.

SO, IF THE REST OF --THIS-- my generation, those who were born during WWII, don't care --or speak up-- what happens to the world, to their children and grandchildren, then God says, He can just take it all down --again-- as He did in Noah's day due to genetic malformed hybrids out of scale with the ecosystem. But this time, He doesn't have to put it back up again . . . What for? . . . And start the same sort of human ethical shambles once more? There's no reason to permit chaos, cruelty, slavery and misery at this scale.

YHVH runs this solar cluster, tends the sun and the orbits, makes sure this planet stays safe. And there are other sectors of space that can abide with this beautiful planet in Peace with Justice; and if the people here don't care to unseat psychopathic leaders, well, They the Cosmic Sylph Community can just move us elsewhere, and Leadership can count their days in hours and minutes.

That's what "God YHVH" said to me, so I got really busy and took it all down ... for all

to read, consider and take to heart. After all, the Covenant with “Seed of Abraham” the Israeli Tribes of Dan and Judah, is where this Royal House began in the British Isles; and if people want to take English-speaking nations down to Hell, well, that's not God's fault.

He--YHVH--doesn't have to do all this work to provide souls' environment, again for deceit and ruin to be practically the only outcome. --Emily Windsor-Cragg
